Click on "On-line Register Now Open" Next, click on "teams" then scroll down and click on Holy Ghost School. After our school comes up, you can then follow the directions for either making a donation or registering. We truly want all our students and their families to be registered. You can create your own page and then get friends and co-workers to register and/or make a pledge to support our school. We are also going to be needing volunteers to help from every school. If you sign up for this, that will also count toward your 10 hours of required volunteer service. Be looking for more information to come for this event.

HALLOWEEN PARTY

Once again we want to thank Mrs. Hitt, Mr. Rountree, Mrs. Fuess and the 8th Grade & 7th Grade students who help to organize the Halloween Fest for all our students. We are also grateful for the parents who came to help with the festivities as well. Truly a great celebration for all.

ALL SOULS DAY

Today we celebrate All Souls Day. You are invited to enroll any of your deceased loved ones in the All Souls Mass League. This can be done in our parish office. Also there is an altar set up in Church where you can place photos of your deceased family and friends during this month as a reminder to all who visit the altar to pray for them.

STEPS4STUDENTS KICKOFF

This Friday, Nov. 6 will be our "kickoff" date for this major fundraiser for our school. It would be phenomenal if we could get 100% of our school families/students registered for this event. Last year our school came in 6th place in raising pledges for this event. How awesome it would be if we could surpass last year's total of \$26,000. Our school theme for this year's event is "GOD'S CATCH". There will be a fishing pole given to each classroom. For every student and their family and friends that register, their names will be

Click on Academics and then go to your child's grade level. For students who have more than one teacher, go to the teacher's homeroom page and it will be listed there for that teacher's classes. Please keep in mind that these assignments are written for the week. It is possible that the assignment may change if extra time is needed for instruction and/or the teacher is able to move ahead.

NOVEMBER 11—VETERANS' DAY PRAYER SERVICE

Next week we will once again have a special prayer service in honor of our veterans from the various branches of armed service in our country. Please invite anyone you may know of who has served our country in such a life-giving way to come and be recognized and prayer for on this day.

THANKSGIVING FOOD DRIVE

During the month of November our school collects food to be distributed to the poor through our Parish Food Bank which is located in the rectory. Whatever you can give would be greatly appreciated.

BREAKFAST PROGRAM

Please remember that the Breakfast Program STOPS serving at 7:45am.
